How to login in Sandes App?

- Open Sandes app. The welcome message will appear. You have two options to login. One is with the help of Mobile number other with the email address.

- Enter your phone number. (**In our case it should be the one registered on CPIS Portal**)

- Enter the OTP. You will receive the OTP on your phone.

- Write your Full Name.

- Select Gender.

- Upload your Profile Photo. This is optional mean you can skip uploading your picture also.

- Allow Location.

- Now Sync your Contact List.

- You are Done.
